***** SCHOOL CLOSSES FOR THE SUMMER HOLIDAYS ON THURSDAY 22ND JULY AT 2PM *****

SPORTS WEEK

Next week we will be holding an Olympic Themed Sports Week. Year 6 have selected 4 countries children within school will represent and class teachers have split their classes up accordingly. You should have received a dojo message requesting a certain coloured t-shirt be brought into school for that week. Please don't go out and buy a t-shirt if you don't have that colour at home.

During the week, all the children will take part in events from the Olympics each day and at the end of the day, each class will award a Gold, Silver and Bronze award. These points will be added up and at the end of the week, medals will be awarded.

I trust your understanding that in the current climate, we are unable to invite parents from different classes into school to watch the children participating in the different activities. We will make sure that plenty of photographs are taken and shared through ClassDojo! and on our Facebook page.

PARENT GOVERNOR ELECTIONS

A reminder that the closing date for ballot papers to be returned to school is 12 noon on Monday 5th July. Please read the information within the letter carefully along with the biographies for the nominated candidates before casting your vote. The process for completing ballot papers may seem complicated but has been designed to ensure that the ballot is secret yet only those entitled to vote can take part. If your vote has been cast without following these procedures, it won't be counted. Thanks for your understanding.

ST. JOSEPH'S PENNY APPEAL – THE FOLLOWING MESSAGE WAS SENT TO SCHOOL THIS WEEK

Dear Mr Kennedy

Thank you so much for your school's support of this year's St Joseph's Penny Appeal during #LockdownLent. We have now received the cheque from your fundraising activities of £306.48. The generosity of the whole school family means that we can immediately meet the urgent practical needs of individuals and families experiencing homelessness, poverty, loneliness and marginalisation, as well as work 1:1 with those who need help to make transformative changes to their circumstances. We are so grateful!

Thank you again for sharing what you have with those in need. Together, we will ensure that no one is left behind. God bless you all.

Thank you for all your support

UNIFORM

Our collection of Lost Property has grown throughout the year. Unfortunately, the uniform leftover is unnamed and therefore we cannot reunite it with its owner. If you think you might have some uniform which might be in the lost property collection, please contact the school office and we will try to return it to you. Any uniform we have at the end of next week will be washed and donated to the Uniform Swap Shop on Accrington Market. Parents of children in school can then go and either swap uniform at the stall or pick-up cheap uniforms for the next academic year. We will also be donating some of our leftover uniform to Mary's Meals, a catholic charity we support who export used uniform to Africa.

COVID-19

Unfortunately, Covid-19 is still a threat to the day to day running of schools around the country. We are in the very fortunate position of not having to close any of our bubbles yet however this could all change at anytime. Please make sure you continue to be vigilant and take every precaution to protect all members of our school community. Remember, if your child is showing symptoms of Covid-19, your household must isolate and book a NHS Covid-19 test.

END OF TERM

We are fast approaching the summer holidays and, unfortunately, it is a quieter end to the academic year than we would liked to have had. We are still planning an awards assembly on Thursday 22nd July for our Year 6 Leavers and will be communicating more information to their parents next week.
